Spindle And Wheel

Ashland Bay Tussah Silk Spinning Top

Price per Unit (piece): \$12.00

Slightly less luxurious than cultivated silk, but is still wonderful to work with, tussah silk is a less expensive alternative to cultivated silk.

This tussah is a very lovely cream color and will dye beautifully to richer shades. The shine and feel are fabulous and you'll love the lower price.

Approximately 4 ounces/112 grams.
I give a discounted price for one pound or more
