## Ashland Bay Silver Alpaca Spinning Top

**Price per Unit (piece): \$10.00**

We were really pleased with the color on this silver alpaca when it arrived. It has a lovely color and shine to it. Anyone will really love this stuff. You can also dye it to get a really deep and rich subdued color. It is a very fine alpaca that you would expect from a company like Ashland Bay.

Approximately 4 ounces/112 grams.

I give a discounted price for one pound or more
